**Bob Boesch, Member**  
**Kathryn Hill, Member**  
**Agnes Sietsema, Member**

Dear Parents;

The school year is quickly coming to an end. Please pick up your child's medications which are stored in the health office at the school on or before the last day of school.

We are no longer allowed to dispose of unused medication or expired medication in the school trash. Additionally, medication cannot be sent home with the student due to health and safety concerns.

Thank you very much for your prompt attention to this matter.

Sincerely,

***Diane Gannon***

District School Nurse
