Dear Parents/Guardian:

The Winton School District is offering a program for fourth and fifth grade girls and boys on male and female puberty and family life starting on\_\_\_\_\_. The program is taught by the school nurse and teaches young people about the normal physical, social and emotional changes of adolescence.

The materials used in this program are available for inspection by parents and/or guardian at your child’s school. If you wish to view the material and/or ask questions, please call you child’s school to set up an appointment.

Sincerely,

***Diane Cannon***
