Children Are First

Winfield staff cares about each and every student. Every effort will be given to provide the best opportunity for academic and social success for your child.

Students will be encouraged to be life-long independent thinkers, and taught skills to help manage their problems.

Winfield has monthly assemblies to recognize positive behavior and actions and a progressive discipline practice for students that violate school and classroom rules.

Winfield staff recognizes the important role you have in your child's success. You and his or her teacher need to work together as partners in your child's education. We welcome you to spend time in your child's classroom and join in the parent/community meetings.

SUPER CITIZENS AWARDS

ALL Winfield students are considered Super Citizens until they right. Each month every student starts with a clean record.

Responsibility is important every day in every area of our lives. Winfield staff members model and monitor responsibility daily. Super Citizens awards are given monthly. You will be formally invited to join in celebrating your child's first award. You are welcome at any time.

STAR STUDENTS are students who choose to do the following:
